Side Step Card

1. Start with a piece of cardstock cut 5 ½” x 8 ½”.
2. Place the cardstock portrait position in your Stampin’ Trimmer with the left edge of the cardstock at the 2 1/2” mark. Then make a slit from the 2 1/8” to the 7 5/8”.
3. Then rotate counter clockwise in your trimmer and score at 2 1/8”, 4 1/4”, 5 1/2”, 6 3/4” and 7 5/8” just to the slit, except the 4 1/4” run all the way across.
4. Fold it on the score marks accordion style to create stair steps.
