

## Split Negative

1. Cut the two colors of cardstock the same size.
2. Place the two pieces side by side (do not attach)
3. Stamp image in the center of the two pieces of cardstock with versa mark pad.
4. Emboss one side in White
5. Emboss the other side in Black (You can use any two contrasting colors).
6. Adhere to your card front and finish decorating the rest of your card.
